

SkylineLED Plus

High Efficiency
LED Streetlights

Trendy Design :

Compact and aesthetic design of SkylineLED blends well with the urban architecture and landscapes, making the streets even more lively

High Efficiency :

Best-in-class and long life LEDs with good LED driver result in energy savings upto 65%

Long Life :

Better thermal management results in sturdy performance of the luminaire that gives a maintenance-free and long service life

Rugged Construction :

Aluminium die-cast housing with IP66 construction enhances durability and reliability

Wipro Lighting brings to you series of LED streetlights, 'SkylineLED' which offers high efficiency, long life and an elegant architectural profile that meets the outdoor lighting needs. Its uniform light distribution enhances safety on roads and allows people to enjoy beautifully lit outdoors.

SkylineLED Plus

Specifications

- Aluminium pressure Die cast housing
- High efficiency, long life LEDs
- High efficient LENS Optics for better distribution
- Complete assembly with LED Driver inbuilt in luminaire and accessories pre- wired up to terminal block
- Confirms to IS10322 Part 5 / Sect 1: 1967

Installation

Suitable for external pole dia. up to 35mm

Control Gear

In-built Isolated Electronic Potted driver

Input Voltage Range 110V-320V

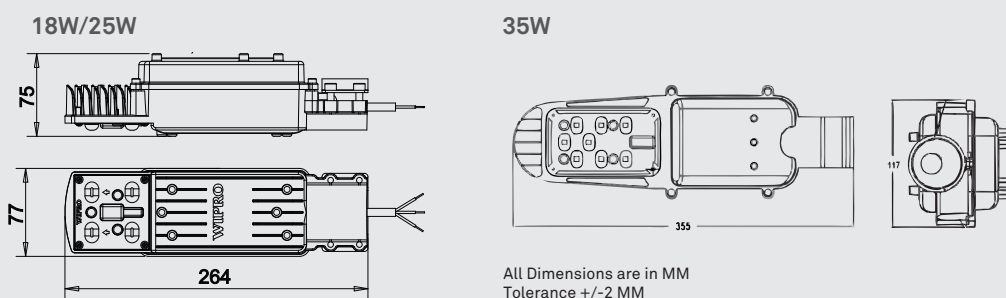

Surge protection 4KV Internal Low Voltage and High Voltage Cut off

440V operation for 8 hours

THD <=10% ; PF >=0.95

Auto re-start facility
